

Electronic Equipment Sale and Swap

Join K-LUG the Rochester area Linux User Group, for our **Annual Electronics Swap**.

When: Thursday November 9th, 6:15 pm (set-up at 6 pm)

Where: RCTC Heintz Center, room HA108

No entry fee. **Public welcome.** Also invited includes the IBM PC interest group, the ham radio club, and RCTC students.

Recycling available! If you haven't sold or swapped electronic items you don't want to take back home again, you can leave them with us and we'll take them to the county recycling center. Fee: No extra transportation fee, only the \$0.35/pound that the county will require.

If you're going to be hauling large pieces of equipment, the closest parking is in the east lot, in the northwest corner.
